

September is here and that means it's time to for National Preparedness Month.

NATIONAL PREPAREDNESS MONTH

SEPTEMBER 2022

**Disasters Don't Wait.
MAKE YOUR PLAN TODAY.**

September is here and that means it's time to get ready for National Preparedness Month ("NPM"). NPM is an initiative sponsored by the Federal Emergency Management Agency ("FEMA"), part of the US Department of Homeland Security. [You can find out more about it here.](#) This year's theme is: "The life you've built is worth protecting. Prepare for disasters to create a lasting legacy for you and your family."

For schools at all levels, September is a great time to start a STOP THE BLEED® Club

Free Program!

If your school does not already have one, the STOP THE BLEED® Club program is free and provides tools and resources to start or enhance an existing STOP THE BLEED® program. [Find out more about Clubs here.](#)
